

Threaded Series Raccords filetés Serie roscada Série roscada

- A complete range of threaded fittings in black polypropylene.
- PP threaded fittings are ideal for most industrial chemical and irrigation applications.
- Perfect sealing thanks to the precision thread finishing.
- Range. The range of threaded fittings includes sizes from 1/2" to 2".
- Working pressure: PN 10 (150 psi).

- Gamme complète de raccords filetés polypropylène noir
- Idéaux pour des applications dans l'industrie chimique et pour l'arrosage.
- Étanchéité parfaite grâce la finition précise du filetage.
- La gamme comprend les dimensions de 1/2" à 2".
- Pression de travail : PN 10 (150 psi).

- Gama completa de accesorios roscados en polipropileno negro.
- Ideales para aplicaciones de industria química o de riego.
- Estanqueidad perfecta gracias al preciso acabado de la rosca.
- La gama incluye medidas de 1/2" a 2".
- Presión de trabajo: PN 10 (150 psi).

- Gama completa de acessórios roscados em polipropileno negro.
- Ideais para aplicações de industria química ou de rega.
- Estanqueidade perfeita devidos às linguetas e ao acabamento preciso da rosca.
- A gama inclui medidas de 1/2" a 2".
- Pressão de trabalho: PN 10 (150 psi).
